UGC apply steps - all 140 programmes (4 Oct 2026)

Your copy-paste bits (use in any form): - Portfolio: [portfolio link] - Stats: 500k+ impressions, LinkedIn 180k impressions, YouTube Shorts 270k views, ~1k followers - Niche: AI / tech UGC - Rate to quote if asked: GBP 100-150 per video (+30-50% for paid-ad usage rights) - Age, location, CV details: [age] [UK city] [CV bit]

Read first - Pages checked live 4 Oct. Many forms load only in a browser, so where I could not see the fields I say "form not visible" and give the steps the page implies. - Money claims like "\$1,500 a month" on landing pages are marketing, not guaranteed pay. - Check the age line on each one before you start. 18+ ones are marked. - Before accepting any brief: agree pay, usage rights, revisions and payout date in writing. - Nothing has been applied to. All submissions are yours.

125. Runware Creator (#118)

Pay: credits + manually reviewed cash engagement bonuses, not wage. \$3000 example = \$500 credit + five \$500 top-tier bonuses, not your offer. 18+; listed public channels; regular AI publishing past 3 months; 2k followers OR strong relative engagement. P's 1k needs evidence for alternative; old dormant views don't establish recent publishing. Link: <https://runware.ai/creator-program> 1. **Apply to the Creator Program** section. 2. **Full name, Email, Main platform, Profile URL, Follower count:** actual account details. 3. **Content links:** three direct original-work links, not just portfolio homepage. 4. **Current tools used;** Yes/No **Have you used Runware before?** truthfully. 5. **Audience description** paste pack/[actual niche/engagement]. **What you'd create** [Runware demo plan]. **Anything else** [portfolio URL]/relative engagement evidence if under 2k. 6. **Submit application**, typical 5 business days. Review tier/bonus/attribution/competitor terms first.

Portfolio URL alone insufficient. 5. **Submit** only if proceeding despite gate. No general bio/portfolio field seen; add [portfolio URL]/reach only if sample format permits. Never claim 10k.

127. Lovable for Creators (#129)

Pay: 3 months Pro/100 monthly Pro credits, no required posts; not cash, reapply for renewal. Owned/active/public **single account 10k followers**, newsletters count, can't combine. 128. Notion Creator (#130)

Open application/read full terms. 2. **Share the profile link to your primary social media account:** true profile URL. 3. **What is your total follower count across all social media platforms?** full actual number (1000 not 1K/500000). 4. **What are your average views per post?** [verified calculated average] full number, no guessed divisor. 5. Remaining fields/final button hidden; paste pack/[portfolio URL] only in matching bio field. Not a likely acceptance at stated audience size.

129. FilterPixel Ambassador (#132)

Pay: \$15/active annual-plan referral/free culling-edits/swag. **5k IG/TikTok/YouTube OR industry leader** via workshops/podcasts/conferences/awards. 1k misses ordinary route. **Age conflict:** terms intro confirms 18+, later children clause allows under-18 with parent permission; ambassador minors rule unclear. Geo unstated. Links: <https://filterpixel.com/ambassador-program> ; <https://filterpixel.com/terms-of-service> 1. Scroll form described **Fill out the form below**. 2. **Implied:** embedded labels hidden; prepare [name/email/country/profiles/counts/portfolio URL/photo samples]. 3. **Implied:** paste pack/[real FilterPixel workflow] in motivation if offered. Industry route needs actual [teaching/award evidence]. 4. Read broad non-disparagement language, clarify age conflict if relevant, inspect final submit yourself.

Affiliate Program. 2. Page identifies Impact; **Implied:** sign in/register if eligible; labels hidden. 3. **Implied:** actual qualifying profile/count/business metrics/[portfolio URL] if asked; paste pack only description. 4. Review 2-3 business days, then email/dashboard if accepted. No false residency.

132. Revolut Affiliate (#114)

Pay: referral rates disclosed on signup, monthly 30-day terms. Page says anyone apply, adult/gambling sources rejected. US-localized page doesn't establish UK contract/age eligibility. Finance promotion needs separate check. Link: <https://www.revolut.com/en-US/become-a-revolut-affiliate/> 1. Choose Retail personal audience or Business only with real business-specific audience. 2. Top-page signup to Impact; existing account **I already have an account**. 3. **Account Display Name** [full legal name] individual/[legal business name]; missing full name rejected. 4. **Implied:** other Impact labels hidden. If description offered, paste pack/[portfolio URL]/[real knowledge], no invented trading expertise. 5. Only after tool use/compliance consider suggested 5-10 min walkthrough. Publishing separate, none done.
